Toby Pony Gelding

\$ 1,500

Description

He has been in the family for a little over a year now. He has been handled and ridden by beginner kids. He is very patient, easy to catch, stands well to be saddled and bathed. The kids do it all...catch, saddle, groom, bathe, load and feed. He is very gentle and easy going. Will ride bareback or with a saddle. There isn't a mean bone in this guy. He has been used for pony rides, party's, lead line, will follow another horse on a trail and In the past used on a carousel. Absolutely NO buck, rear, kick or bite in this little guy. He is just an all around gentleman, a pleasure to be around and loves kids.
